KENAI PROSPECTING CLUB, CHAPTER OF GOLD PROSPECTORS OF AMERICA

We look forward to seeing you all at the April 4th meeting!

Financial Report

Current balance at the March 6th meeting was \$163.68.

We are still looking for items we can use to hold a Chinese Auction to make money for the club, so we can hold more activities.

March 2008 Newsletter

Postage will be going up in May!! A first class stamp will cost 42 cents.

Newsletter Update: Well last months newsletter was a flop, since they all came back to me. I asked the Post Office and was told I could no longer mail them the way I had been that they had to be in envelopes. So then I talked to the Postmaster and was told that folded and taped no staples was fine. So guess what I got them all back again this month. So..... I redid them with this note and am mailing them back out in envelopes, we will see if they get through to you this way.

was enjoyed by the many in attendance! did a real good job cooking those burgers and hot dogs. brought in by the members were scrumptious.

The main topic of the meeting was what we can do to help stop the mining shutdown initiative here in Alaska as well as stop the federal government changing the mining laws that will put a halt to recreational mining. The officers of our chapter and the Alaska Miners Association are encouraging everyone to log on to <http://www.againsttheshutdown.com/> to find out what you can do to help.

The Arizona Small Mine Operators Association has asked us to help them fight the changes proposed to federal mining laws by visiting www.ipetitions.com/petition/miningpolitcs.com and signing the petition there.

I have had several requests lately for the computer disk that I have containing a lot of information about mining here in Alaska. I have made some up and you can one up at Joe's Laundry. The cost is \$2.00 to cover my cost for the cds and cases.

RAFFLE: We do currently have a 1/2 ounce of gold up to be raffled off.
